<p><b>Kenn:</b></p> <p>Hi, I'm Kenn, your regular Malaysian funnyman who always says CAN! I'm on a quest to search for secrets to turning a CAN into a DO.</p> <p>Which got me thinking, what can we do to help even more? I admit I'm one of those who often has a habit of saying, 'Sure can' but never end up doing it or accomplishing much. So, no more of that! From this moment on, I will strive to be a can doer too!</p> <p>So, on this date, I will be hosting Kenn's Can-Do Catch Up session with financially savvy Malaysians on the new normal for life, business and beyond, so see you soon.</p>
